Bootable applications

An introduction

[github.com/michaelo/
bootable-applications](https://github.com/michaelo/bootable-applications)

Michael Odden / NDC TechTown 2024

Who are you?

Repo →

Practical info

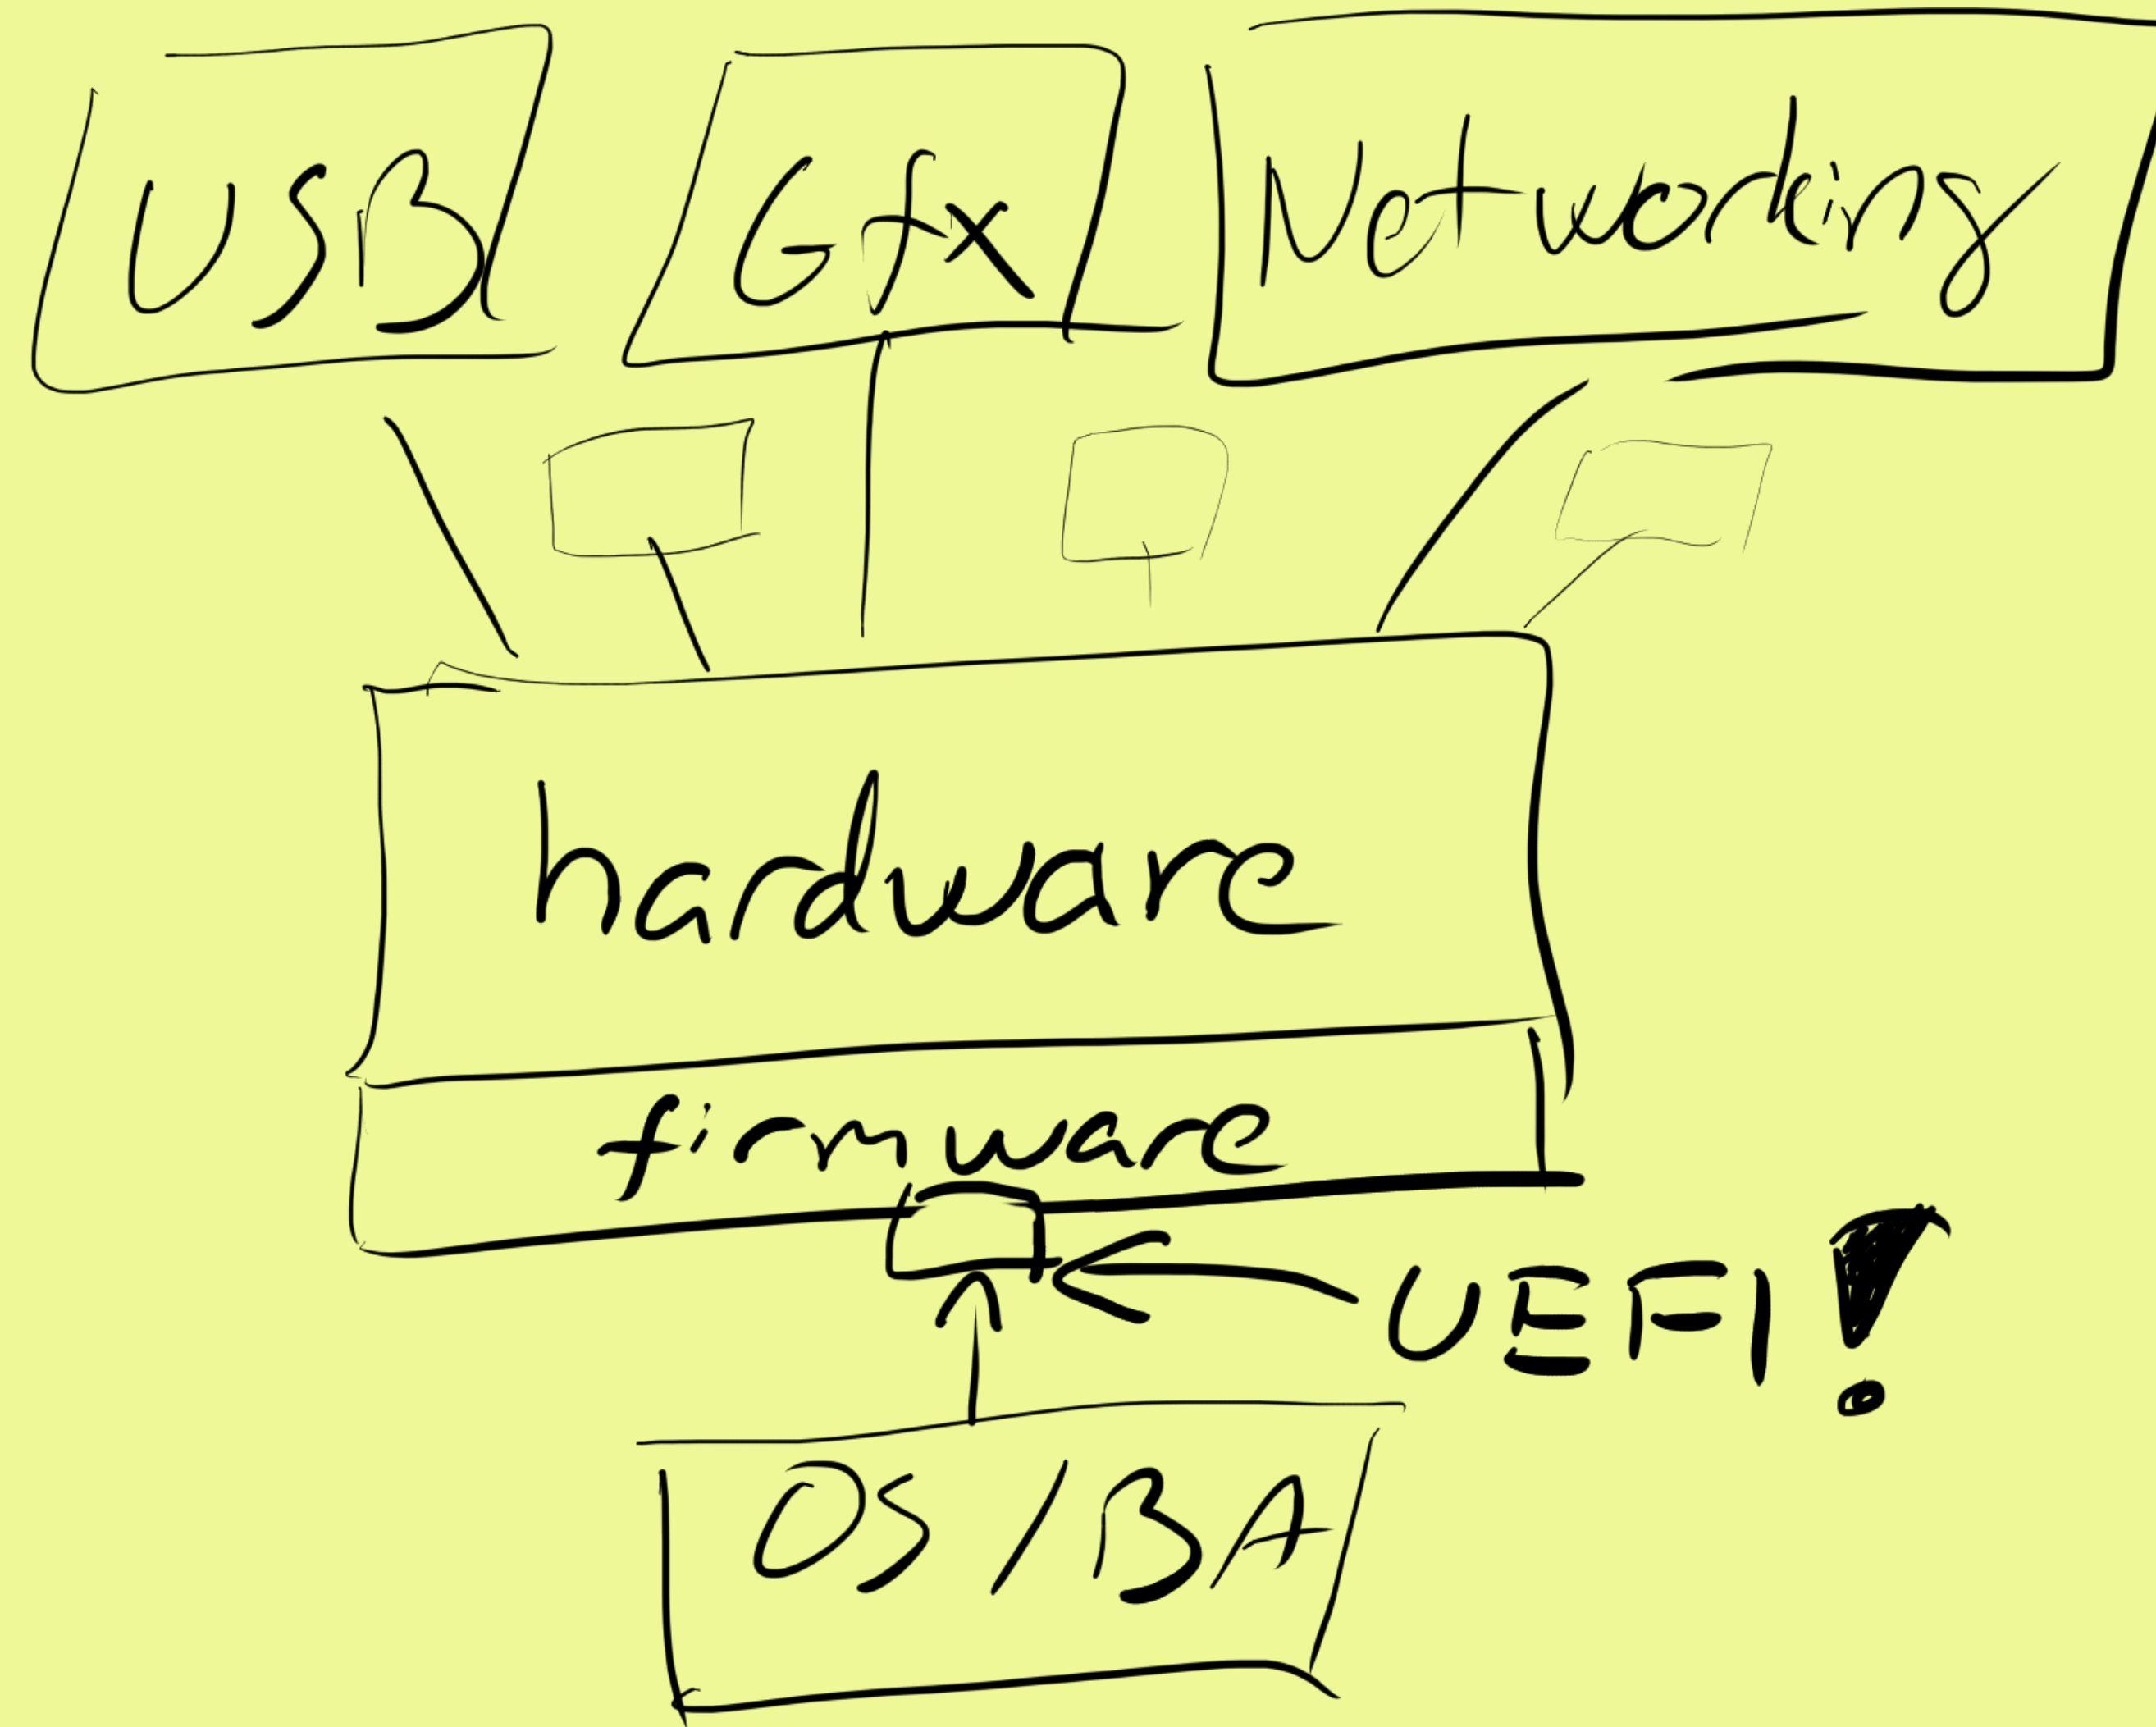

[github.com/michaelo/
bootable-applications](https://github.com/michaelo/bootable-applications)

... why!?

Scope

UEFI?

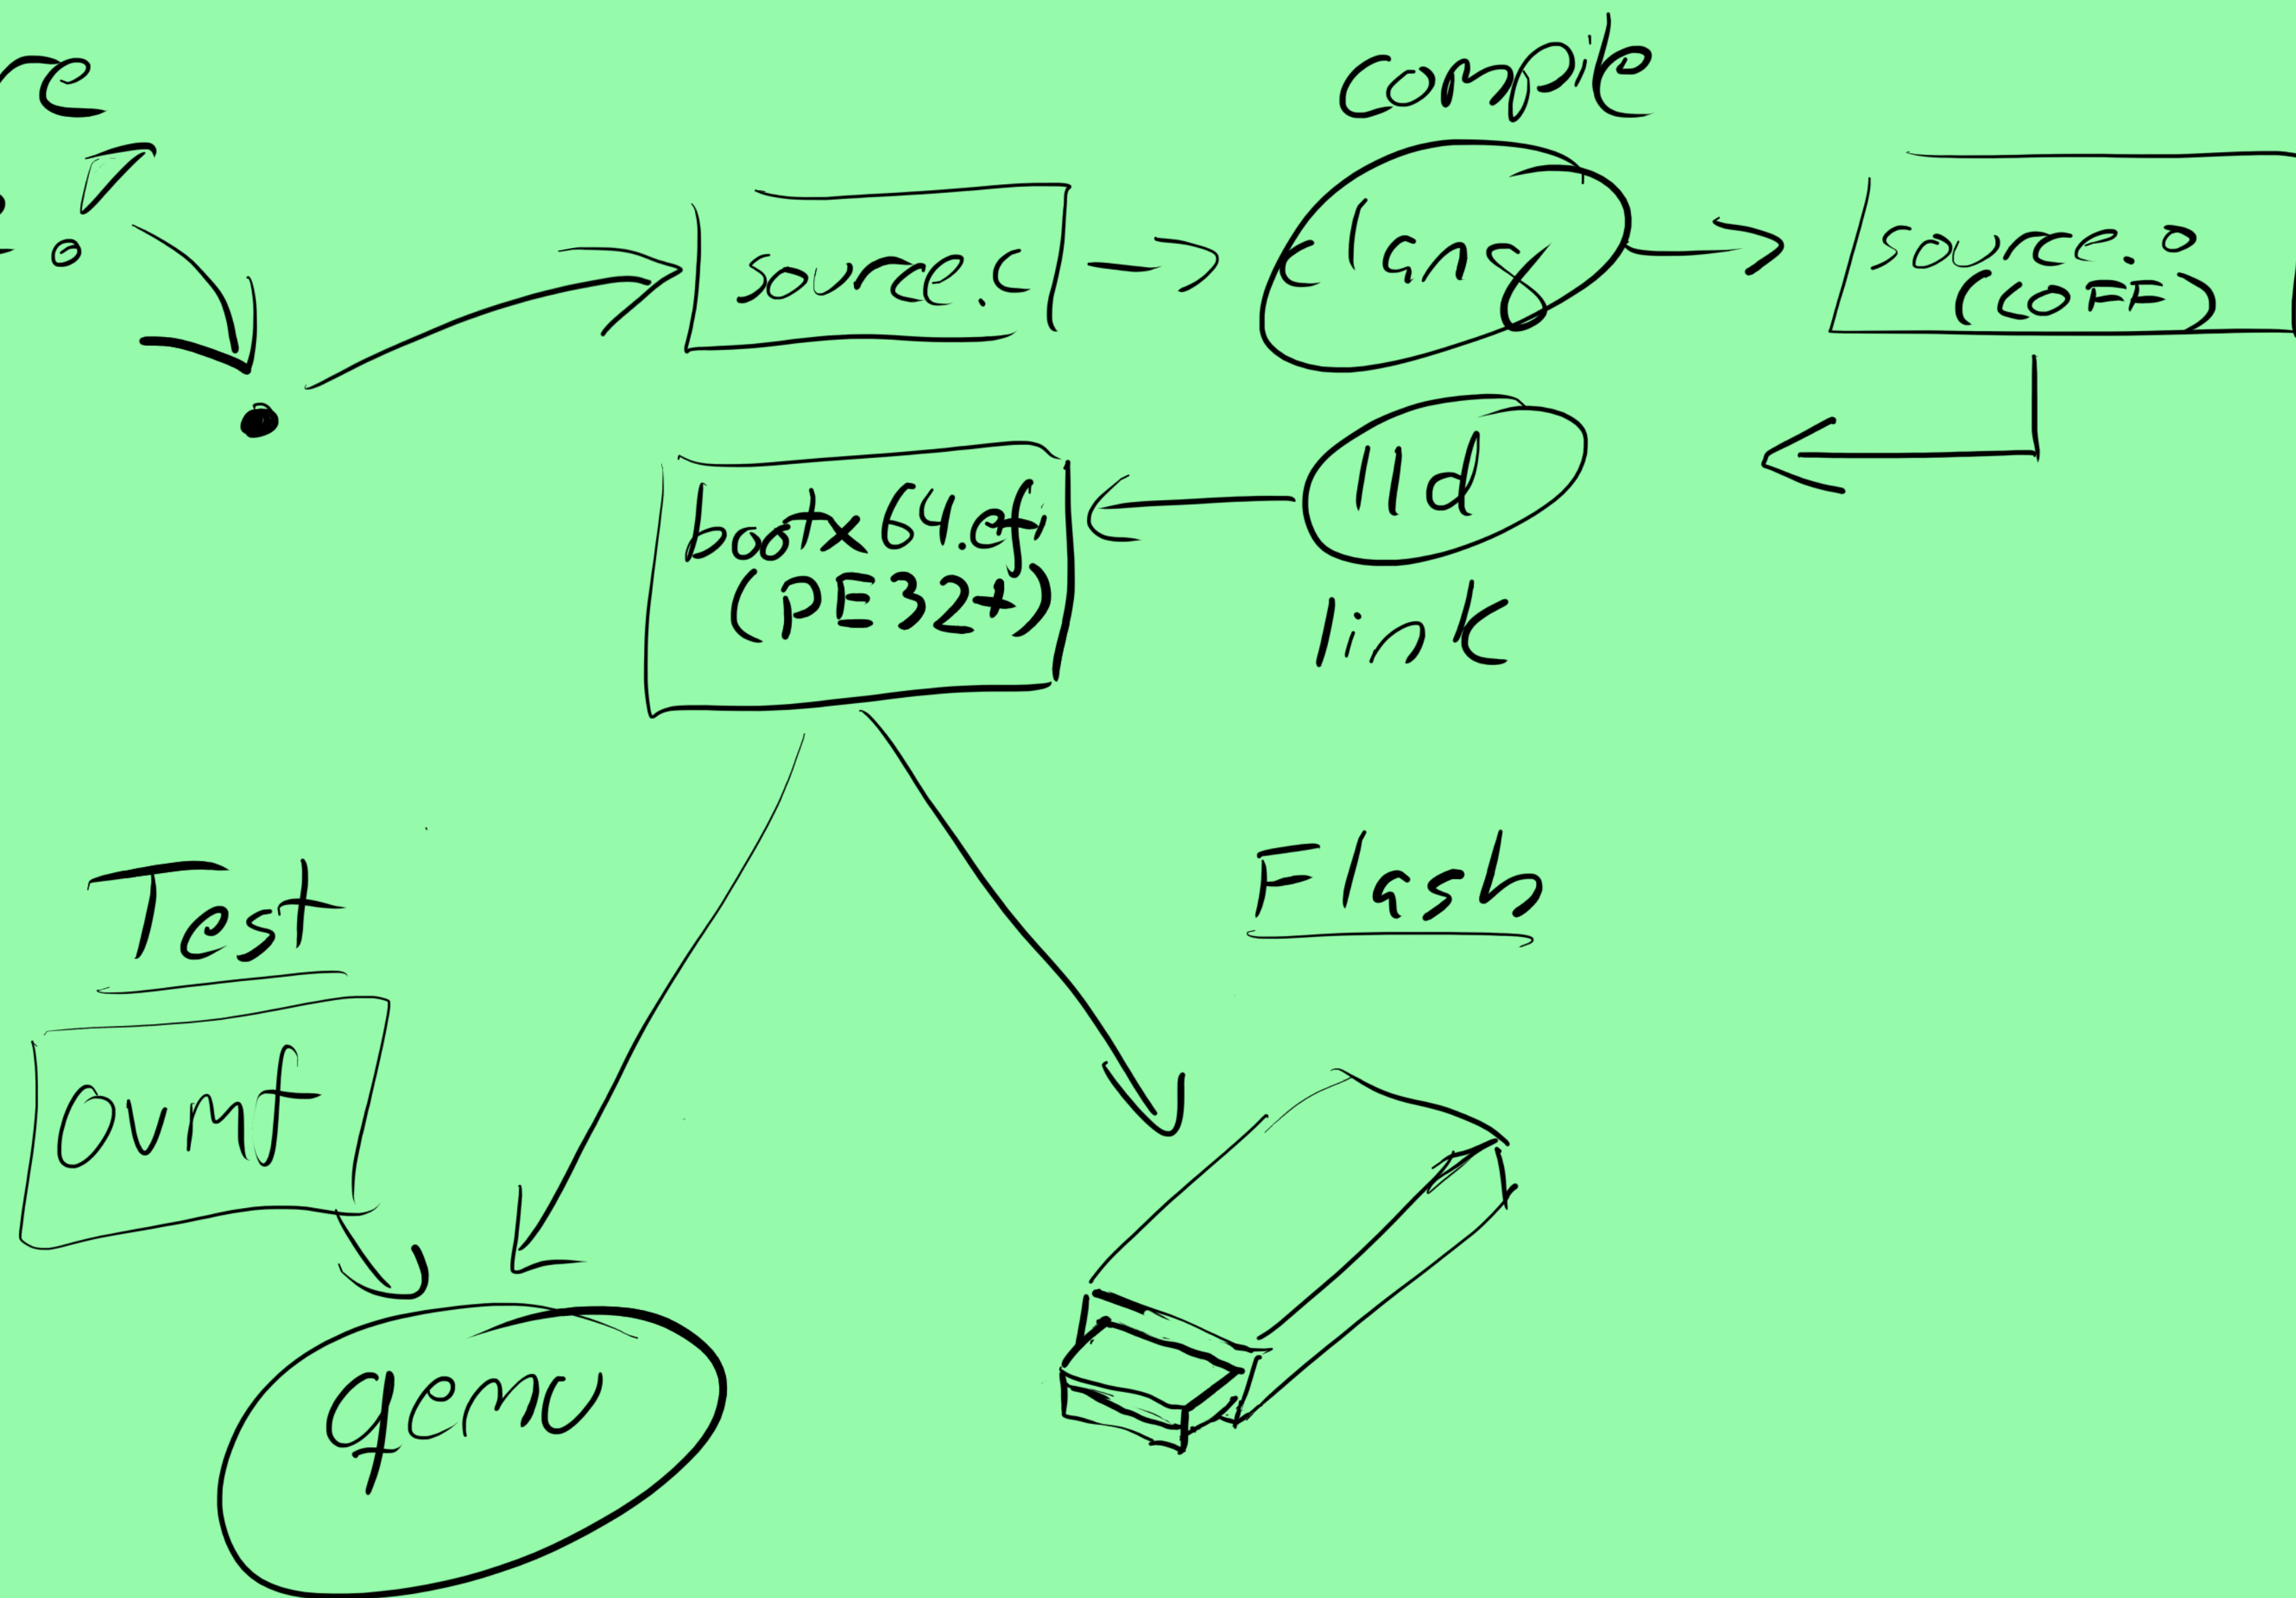

... - Intel - Microsoft - ARM - AMD - Apple - ...
... - IBM - nvidia - Cisco - Broadcom - ...

The tools

The process

you are
here!

Let's dive in!
