# Bootable applications

An introduction

[github.com/michaelo/  
bootable-applications](https://github.com/michaelo/bootable-applications)

Michael Odden / NDC TechTown 2024

Who are you?

Repo →

# Practical info

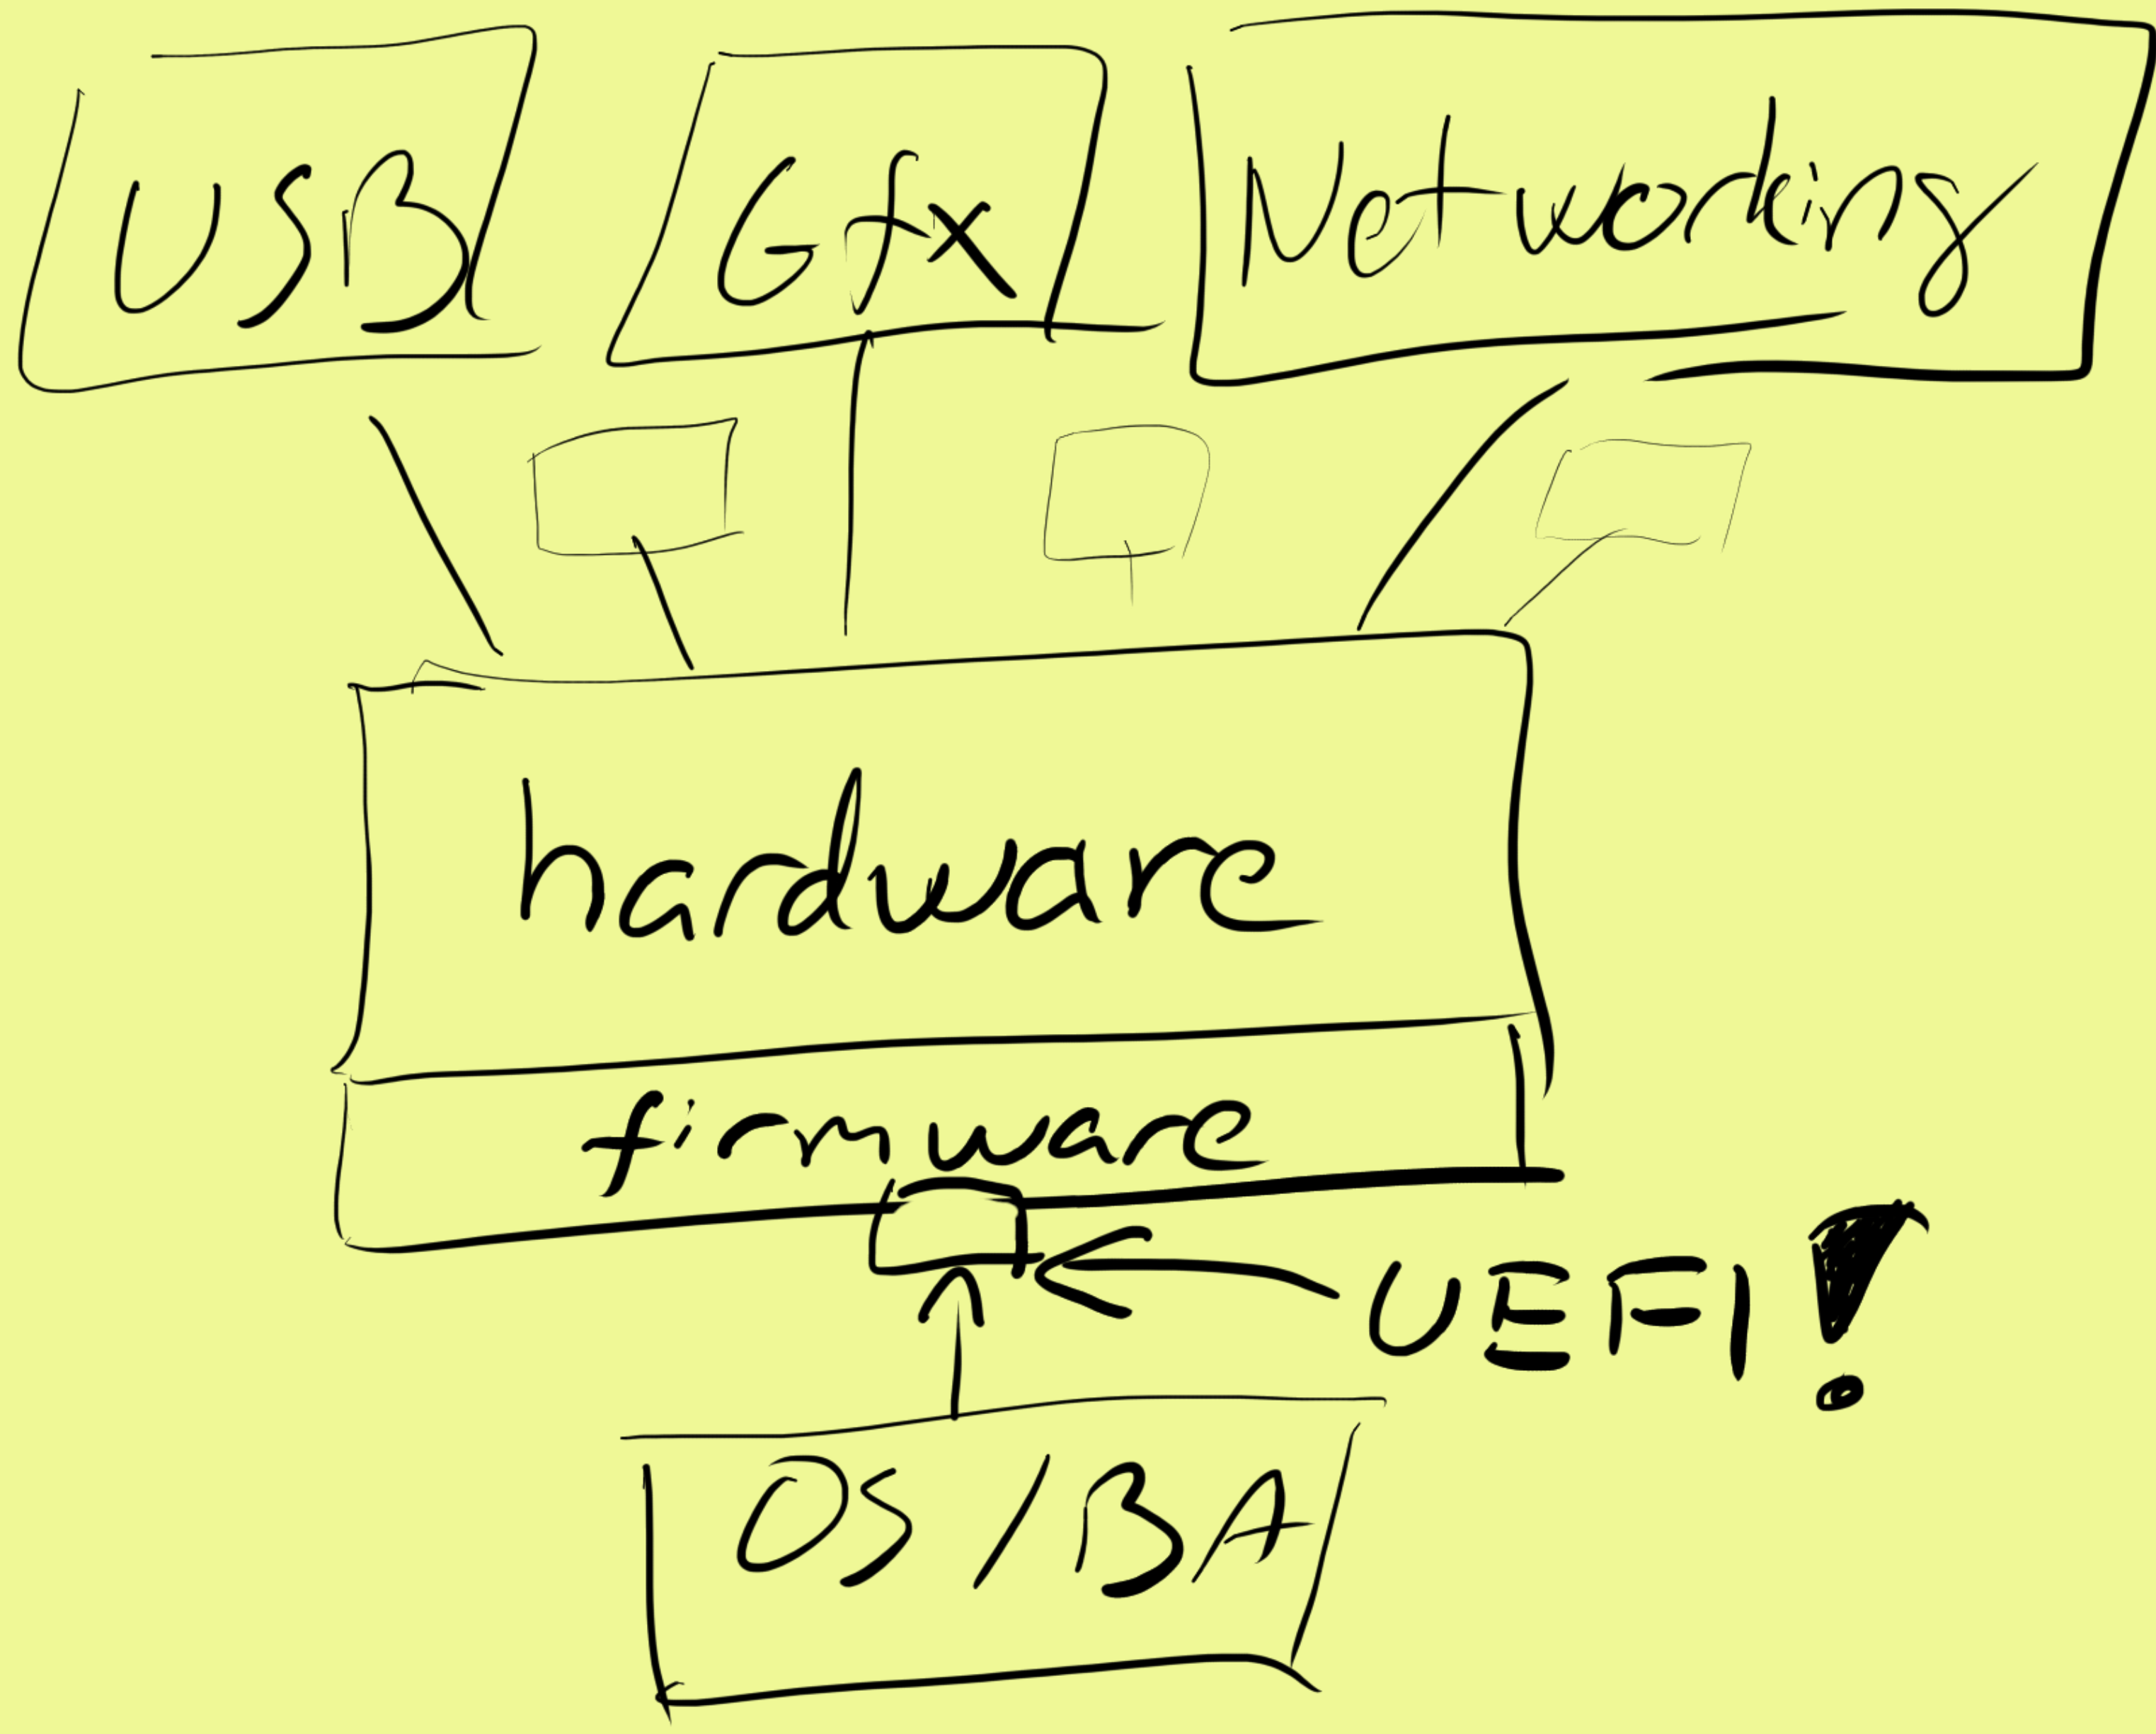

[github.com/michaelo/  
bootable-applications](https://github.com/michaelo/bootable-applications)

... why!?

Scope

UEFI?

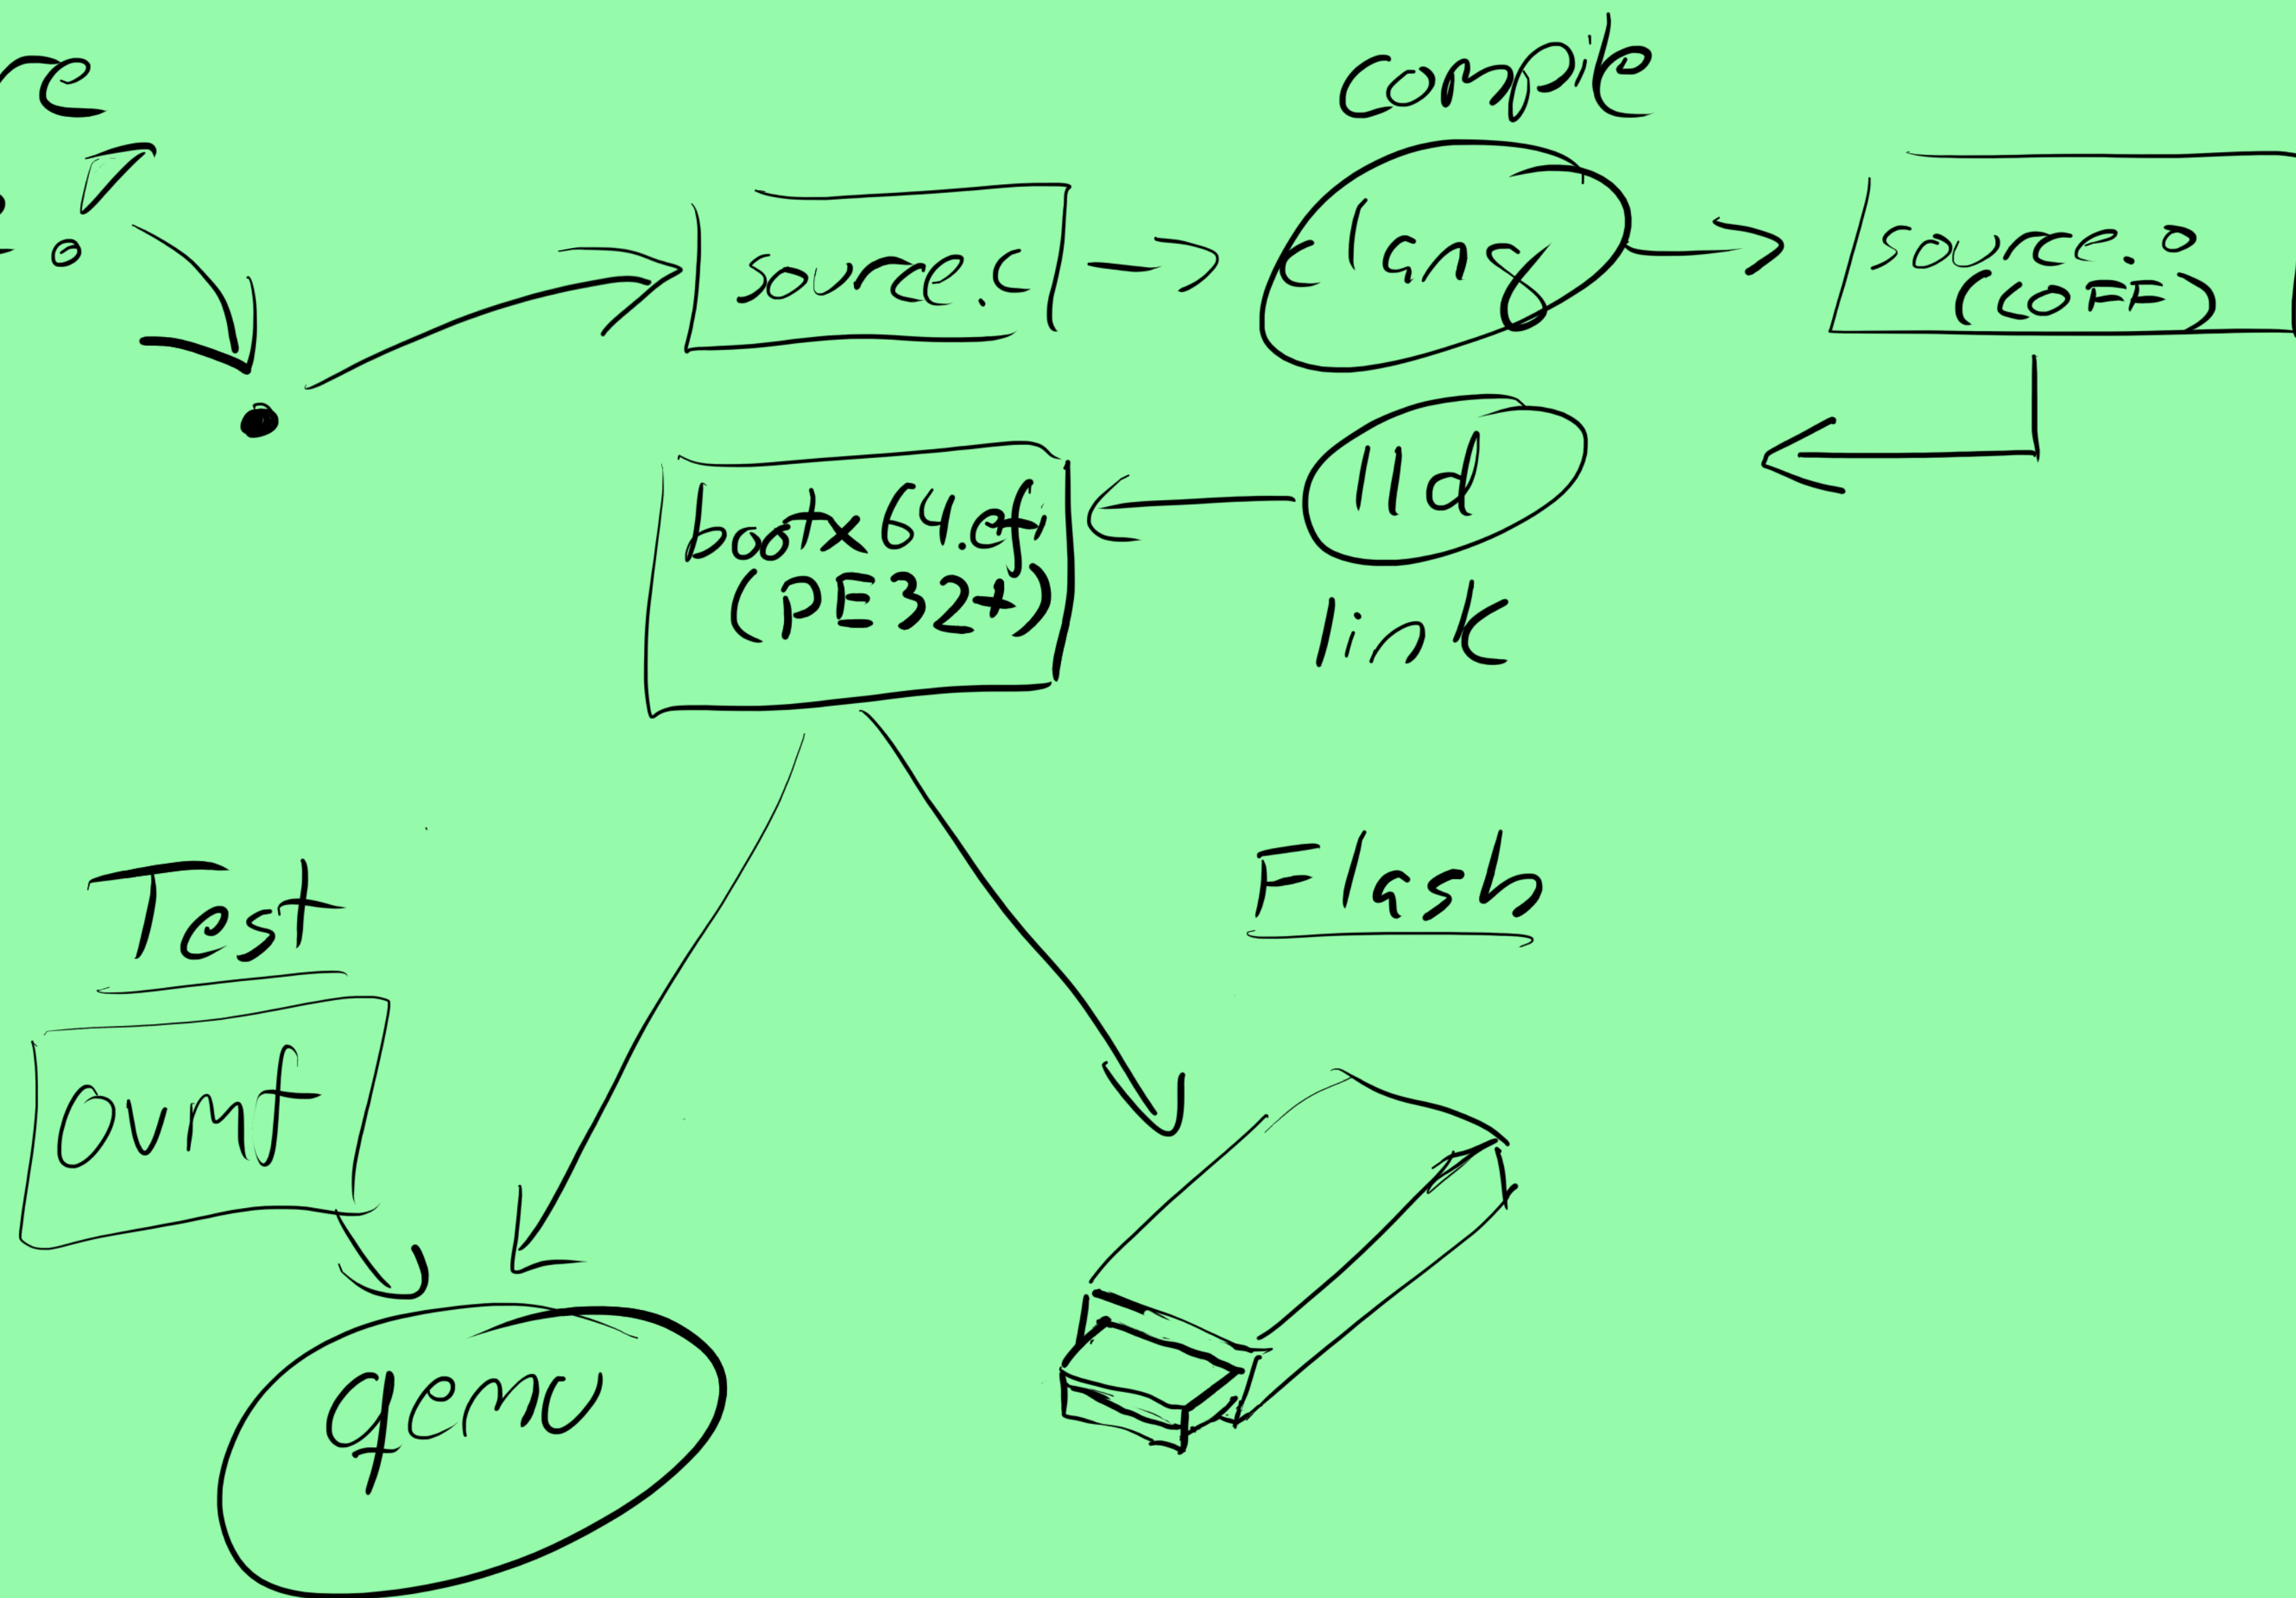

The tools

The process

you are  
here!

Demo time!
